

PARENT'S PRAYER FOR WISDOM

Dear heavenly Father,

Thank you for your unending goodness, mercy, and faithfulness. Thank you for the Bible that teaches me about You. I want to follow your good plans for me and my family. Please provide me the next step that I should take in parenting my child. James 1:5 teaches that You will generously give wisdom to me when I ask for it. Thank you for hearing my prayer and answering it! In Jesus' name, I pray. Amen.
